Email List	2
Fall Neighborhood Event	2
Summer Events	2

A warm summer evening; good company and conversation; yummy food; a real fire engine for the kids; it must be City Night Out! City Night Out is a national Crime Prevention event designed to heighten crime prevention awareness, increase neighborhood support in anti-crime efforts, and unite our communities. It is a great chance to learn about crime prevention, while also getting to know your neighbors. So, stroll on over to 20th and Dakota on Tuesday, August 5th, and join the fun. We'll close the street and supply the grill. You bring something to grill and a side dish to share. Festivities begin at 6:00 and last until the sun goes down. Let's party!

Less Choo-Choo, Please

Neighbors have recently expressed concern over the frequency and loudness of train whistles underneath the West Seattle Bridge. There are ways to reduce this noise pollution. If you are affected, please contact David, david@enprecis.com, or Joseph, sephs@comcast.net, who have already been forging ahead with lots of contact with various agencies and individuals.

Garage Sale Cleans Up

The recent Pigeon Point garage sale to benefit Cooper Elementary was a hit, thanks to the participation of many, many neighbors as volunteers, donors and buyers. The donation-only event raised a whopping \$783, for a total of \$4300 given to Cooper from all past and present garage sales. Cooper Elementary staff and families helped out with the West Seattle Blog-sponsored Garage Sale, and neighbors came by throughout the morning to shop and chat. Photos may still be visible at westseattleblog.com. A fun time was had by all!

Spring Clean A Success

On the morning of April 26th, Pigeon Pointers filled a giant dumpster (our largest ever received!) with unwanted items. Free emergency preparedness materials were available for neighbors, and at 9 am, several neighbors helped prune vegetation overhanging sidewalks. They also helped a neighbor on 21st cut back an evergreen tree, which she is no longer able to maintain. It was sweaty, scratchy work, but enthusiasm and good humor prevailed.

Volunteer Work Parties

Want to help clean up the neighborhood? Every first Saturday of the month, the Nature Consortium holds volunteer work parties at Pigeon Point Park to restore its natural beauty. Volunteers can enjoy pre-work party yoga and sometimes, a post-work party concert! RSVP to Elizabeth McDonald at volunteer@naturec.org or 923-0853. You can visit <http://www.naturec.org/restoration.htm> for more details.

Fall Neighborhood Event

We are making great strides toward hosting our first neighborhood gathering. Our event will take place on a Saturday in September at Cooper School. There will be live entertainment, food, and children's activities. Keep an eye on your mailbox for more information. If you would like to be part of the committee organizing the event, please send an email to pigeonpointcouncil@comcast.net.

Have an email address & want to stay "in the know" about happenings around Pigeon Point and West Seattle? Send your email address to the Pigeon Point Neighborhood Mailing List and you'll find out all the information that comes in between newsletters.

Summer Events
