9. Open Discussion

Mosquitoes in sitting water at the headwaters of Puget Creek are a big problem  
Water table seepage at 23<sup>rd</sup> and Andover gets slick and freezes in the water  
Delridge Library still needs volunteers to help after school  
Voter registration will be available at the Library 4-8pm 1<sup>st</sup> Mon. of every month or register to vote in the schools (you need ID)  
Neighborhood Matching Fund \$ are available for grants we could propose  
Sub Station is abandoned and for sale (Pete will look into the cost and issues)
